Prices are in US Dollar. Crating and shipping is additional. Extra charges apply for open mouth mounts. Prices are subject to change. All applicable import fees must be paid in full within 30 days of billing. Balances past due 30 days will incur a 4% charge every 30 days until paid in full. A taxidermy deposit of at least 50% of the quoted price must be paid prior to starting your work. Deposits are non-refundable. The taxidermy balance is due within 30 days of completion of your mount(s).

Charges for skinning, fleshing, or repair of damage caused by careless skinning or handling will be extra. Work not picked up within 30 days will be charged a storage fee of \$40 per month, per piece. Upon notice given that your work is completed, past due balances will incur charges as follows: 30 days = 4% charge, 60 days = 6% charge, 90 days = 8% charge. After 120 days, your pieces become the property of Wildlife Studio and may be sold without notification or compensation. Finished pieces will not be released until payment is received in full, including all applicable fees and penalties. We reserve the right to make reasonable changes and/or substitutions in order to complete your mount, if necessary. If modifications will result in additional charges, you will be notified prior to any changes being made.
