

2008 BRONZE PRICES

When deciding on a bronze design for your pedestal mount, we have a selection of standard molds or we can create custom molds made of your animal's horns or antlers. Custom molds are 2-parts, consisting of silicon rubber and plaster and are made right in our shop. All the prices listed below are approximate, to give you an idea of cost. Firm quotes will be given when we receive your specifics. Financing is available! Call us to discuss a payment plan!
